“ *My Sympathy to Larry, Mary, Kelly, and Katie and all your family.
So sorry for your loss.
One memory of Nellie's is when Mary always told me how Larry is one of the best
dishwashers ever because when Larry was little he and his siblings had to do the
dishes and before they was all done Nellie examined them and if one dish was
still dirty or twelve dishes were dirty.....They had to rewash all of them until
every dish was clean.....One way to teach our children how to do a job right the
first time then you don't have to do again!!!! I think of her often when I open my
dishwasher and see the dishes aren't clean and think they would not pass the
Nellie test.
You are all in my thoughts and prayers during this time.
God Bless all of You!
Miss you guys
Hugs and Love

I am thinking of you and all the families that are losing love ones.
Remember only the good times with your Mom. They are the only ones that
count.
Keep the rest of your family safe and healthy. Happier days are coming.

“ My heart is so heavy to hear of Nellie's passing. She was like a second mother to me and she was actually my first babysitter. My Mom and Nellie were such good friends. On many occasion she invited us to stay for lunch. Her meals were amazing! I've never seen so much food. I can remember the large plate of sliced tomatoes in the summer. Home grown and delicious. She kept her home warm and cozy. An award-winning housekeeper. Above all, I remember how she always made me feel at home. "Come back and see us, Hon or have Mom bring you back soon." Thank you, Nellie.
